

Problem

Problem

ScatteringProblem< ELEMENT >

```
graph BT; SP[ScatteringProblem< ELEMENT >] --> P1[Problem]; SP --> P2[Problem];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'ScatteringProblem< ELEMENT >'. Two vertical lines extend upwards from this box, each ending in an arrowhead pointing to one of two 'Problem' boxes located above. The left 'Problem' box is positioned directly above the left vertical line, and the right 'Problem' box is positioned directly above the right vertical line.
