

GeneralisedElement

Circle

ElasticFishBackElement

```
classDiagram
    ElasticFishBackElement --> GeneralisedElement
    ElasticFishBackElement --> Circle
```

The diagram illustrates a class hierarchy. At the bottom is the class 'ElasticFishBackElement'. Two arrows point upwards from this class to the classes 'GeneralisedElement' and 'Circle' positioned above it. The 'GeneralisedElement' box is on the left, and the 'Circle' box is on the right. A horizontal line connects the two upward-pointing arrows, indicating a common parent relationship.
